

-5 STROKES

Accudrive®: The only visual cue applied directly to your shoes to align your feet, improve your aim and shave 5 strokes off your game.

accudrive5.com

Golf pros agree that when it comes to improving your aim, there is nothing more important than aligning your stance with the target. Accudrive® is the most important advance in golf shoe accessories since the invention of the spikes. Apply the stripes to your shoes, align yourself parallel to the target, and swing. It's that simple.

Improve Your Aim...Improve Your Game
